UFOGOLF Solar Calendar Events!

The Meteni, sometimes called the Meteni Day, can also be called the Spring Waiting Festival. The Solstice campfire is burned, rituals with tongue-tied and donations are performed. Last summer's Ligo holiday wreaths are burned in the campfire. Straw is very often burned, and in some places some images are made of straw, first rolled off the mountain and then burned - winter is burned and shed.

If you have never participated, then here is the right place, because those who know how will teach how its better!
