Meet by H13. CTPs - 6 (2nd shot), 9 (2nd shot), 10, 11, 13, 17 (2nd shot). 17 paid out only if 12 or more paid ctp. Round for 305 Teams players only. Pay before round. CashApp \$MiamiDiscGolfClub. \$1 club \$ 1 ace \$5 ctps \$3 handicaps \$3 scratch, no Q or M.

The last group to play a hole should pick up the ctp flag. If you start on a hole that is one hole after a ctp hole, you are the last so pick up that flag. If you are the lowest number group pickup any ctp holes that are lower than your starting hole. Click Show groups to see other groups to verify that you are the last group to play a ctp hole and/or check the results to see if the hole has been completed.

Handicaps: You can use a handicap from any K3 layout. For instance if you don't have a C handicap, an A or B handicap can be adjusted by the total scoring average difference between course C and A or B in metrix. If you don't have a handicap for C but have an A and a B, the lowest handicap after adjustments will be used.
