PARKING

Course parking lot is quite small, please use car pools if possible. Parking is possible also on the nearby roads, but notice parking guidelines. Do not park in yards or in front of driving ways, thanks.

WARM-UP

Areas for warm-up are very limited at Ford Amateur DGP. There is a basket for putting, but all driving warm-up is suggested to be done at the other Ford course, 5-10 minutes drive away.

Warm-up on the course is prohibited during the competition round (from first group tee-off until the last group has finished their round).

GENERAL INFORMATION

Tournament office located near tee #1

First aid kit at tournament office

Moveable outdoor toilet near the tournament office / parking lot

COURSE DETAILS

All mandatories and their restricted areas affect ONLY the hole the mandatory is marked for. Those don't affect to any other holes.

For that hole mandatory is located, the restricted area line continues away from the mando to infinity along two last sticks.

Mandatory lines marked with blue-white sticks.

Asphalt path/road (on the left side in the course map) and everything beyond it is always OB. Even it is not mentioned in hole details.

OB line for the asphalt path/road is the asphalt and grass/gravel line which is nearest to the fairway.

Hole #3

A (dry) pond on the left side. Casual relief if there is water, probably not.

Hole #6

OB on the right side, fenced area. OB-line is the fence.

Hole #7

OB on the right side, asphalt path and beyond.

Hole #8

OB on the right side, asphalt path and beyond.

Hole #9

OB on the right side, asphalt path and beyond.

MANDATORY. Restricted area on the right, must pass from left. Mandatory line marked with sticks. If mandatory is missed, continue from the tee (=drop zone) with one penalty.

Hole #10

OB further on the left side, asphalt path and beyond.

MANDATORY. Restricted area on the left, must pass from right. Mandatory line marked with sticks. If mandatory is missed, continue from the tee (=drop zone) with one penalty.

Hole #12

OB further behind the basket, asphalt path and beyond.

Hole #13

OB on the right side and behind the basket, asphalt path and beyond. OB also further on the left side, fenced area. OB-line is the fence.

If your disc goes over the fence, it is NOT allowed to pick it from there. Event staff will collect them later.

MANDATORY. Restricted area on the right, must pass from left. Mandatory line marked with sticks. If mandatory is missed, continue from the dropzone with one penalty.

Hole #14

OB on the right side, fenced area. OB-line is the fence.

If your disc goes over the fence, it is NOT allowed to pick it from there. Event staff will collect them later.

Two MANDATORIES, restricted areas on both sides. Mandatory lines marked with sticks. If mandatory is missed, continue from the dropzone with one penalty.

Hole #15

OB on both sides, asphalt path and beyond on the left side and fenced area on the right side.

Hole #16

OB on the right side, fenced area. OB-line is the fence.

If your disc goes over the fence, it is NOT allowed to pick it from there. Event staff will collect them later.

Always check the fairway is safe to play before you throw. You are always responsible for your throws. Use a spotter if needed.

HAVE A GREAT ROUND!
