# Foreword

**Dear participants,**

the Disc Golf Friends are looking forward for a great tournament in Dortmund!

This is the second time we provide a three-day event. For all of you there will be a round with 18 exciting holes every day!

We have improved the course again and hope you will like the changes. In any case, a good mix of length and precision will be required!

On Saturday evening there will be a players' night, a cool opportunity to meet with other players.

This caddy book replaces the player's meeting. If you have any questions in advance, please feel free to contact us.

I wish you a good time in Dortmund!
