# Scoring

We will score with Metrix and PDGA Live!

One player of each card needs to score with Metrix, another player with PDGA Live.

If there are any issues with either scoring method, please replace it with a different method (Udisc, paper, etc.)

## Important:

You need to sign your results at Discgolf Metrix at the end of each round. You can either do it on your mobile device or come to the TD to confirm your score.

If there are any questions regarding the scoring, we are happy to help you. Please come to the event center 😊
