CADDYBOOK

DGCL President's Cup

7 • IX • 2024

Welcome to the President's Cup competition organised by Disc Golf Club Luxembourg at the Parc Um Belval in Sanem, Luxembourg. This is a one day PDGA C-tier event with 2 rounds x 18 holes. Each round the 9-hole layout is played twice, without break.

The event is organized by Disc Golf Club Luxembourg according to the official PDGA rules with any special rules described in this caddybook.

Scoring. For scoring we'll be using PDGA Digital Scorecard (<https://www.pdga.com/apps/tournament/score/login>). Login: **DGCL24**

Groups. Round 1. - random groups, mixed divisions.
Round 2. - players grouped by scores within divisions.

Ties. Ties at first place in a division will be resolved with sudden death playoff played at holes 1 and 9 in a loop.

Layout. We will play holes that you might know from this year's edition of Minett Open (1 thru 8 + 13), but this time with much less OB/HZ, but possibly even more fun :)

Teesign for each hole is included in this caddybook together with special rules applicable for particular hole.

There is a number of general special rules applicable to every hole unless specified differently:

For each hole fairway is delimited by concrete paths. Concrete paths and area behind them is considered out-of-bounds (OB). The exception is teepad for each hole where teepad is placed on a concrete path.

For each hole, pavilion area (wooden platforms, top of buildings, top of roofs, pools) is considered OB. The exception is wooden platform where tee 1 is located.

Natural OB/HZ lines are not marked (concrete paths, stone surface, pavillion). Other limits of OB/HZ areas are marked with flags. There are no lines marked between flags (i.e. line goes straight between adjacent flags).

Remember: In case of doubt - throw provisional, and if OB is to close to call - rule in favour of player.

2

par 3

89m

OB long of the basket at the path and behind.

Mando left of the marked tree. DZ for the mando marked at a concrete patch.
