## General Rules

- ⚠ Safety is top priority - use spotters and watch out for park goers and other players! ⚠
- We play in public park - take care of it, don't litter and mind other park users.
- Follow official Rules of Disc Golf, including (but not limited to): 30 seconds to throw, 3 minutes to search for lost disc, correct lie marking and stance.

## Course

- The course has OB areas on most holes. They are either marked with ▶ red flags or go along natural borders (ditch, ditches around ponds, paths with and without curb). Follow the teesign descriptions and maps. Remember that you can always throw a provisional shot and have the TD decide the ruling if the rules/hole shape are unclear.
- Precise rules for determination of OB line along natural borders are explained on the next page.
- On hole 8 there is a casual relief marked with ▶ white flags. If you land there, move away from your disc in line from basket to the first safe lie. There are some thorny bushes around on other holes - apply the same rule if you land near them.
- On hole 8, in the OB area, there are 🐝 apiaries (beehives) - don't go near them.

## Amenities

- 🚻 Mobile toilet is available near tee #1 (ca. 50m south). Remember that during play, when you arrive to each tee you might use bathroom break before the card starts throwing.
- 🍷 Meeting point is near tee #9. Water and snacks are available there as well.

## Important Info

- Emergency number: 112
- TD phone number: +48 664 494 065
- TD email: kmlkjn@gmail.com

# Rules for OB along Natural Borders

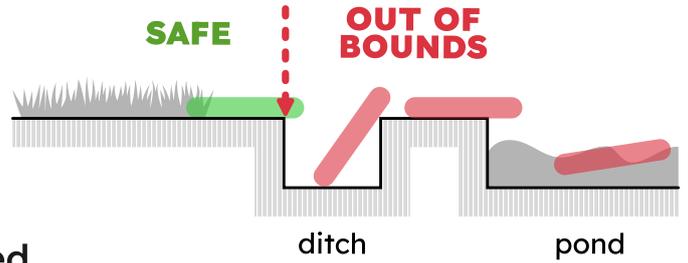

## Ditch (hole #1 and #9)

OB line runs along the inner (right) edge of the ditch where the slope begins.

## Ponds (hole #7 and #8)

OB line runs along the outer edge of the outermost ditch surrounding each pond.

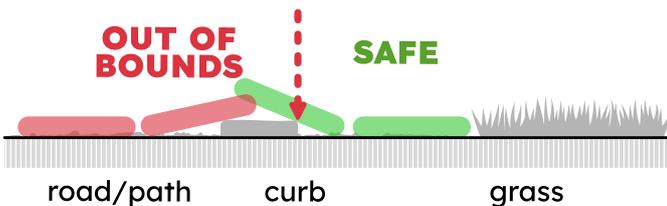

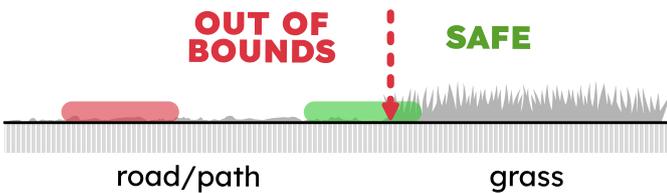

Note that second pond on hole #8 is marked with red flags instead.

## Paths (hole #2, #5, #7 and #8)

If the path has a curb, then the OB line runs along the inner edge of the curb (looking from the fairway).

If the path doesn't have a curb, then the OB line runs along the edge of grass.
