POINTS SYSTEMS

Metrix handicap

Spring League 2021 will be switching to the Disc Golf Metrix rating handicap system to determine monthly league handicap score winners. Players will need to have a Disc Golf Metrix rating (played 3 competitions in Metrix) to be eligible for the handicap adjusted score prizes.

For those who want to know, your Metrix handicap is determined by:
(1000 - [your Metrix rating]) / [course 1 stroke rating value (currently 12 for Parklands Tournament Layout)]

Further details are on discgolfmetrix.com

Spring Series Championship

The Spring League 2021 Champion will be determined by a points based leaderboard. The leaderboard will be visible throughout the series at discgolfmetrix.com/1765326

Players will be awarded points at the end of each league day based on their **scratch score** placing as per the table below. All players that are tied after a league day will receive the average points across the tied positions. Each player's 4 highest point scoring league days will count toward the leaderboard. In case of a tie for 1st overall, the Spring League Champion will be the player that finished 1st in the most league days. If this is still a tie there will be co-Champions.
